

# See you at EcoForum

This is your invitation to join a thousand seekers and providers of environmental products and services in Sydney at the EcoForum Conference & Exhibition.

## **Exhibition visitor**

### **Trade exhibition**

The EcoForum exhibition assembles leading companies offering a wide range of environmental products and services, from a greenhouse gas estimator and reporting tool to assistance in locating buried unexploded ordnance. About a thousand participants are expected at this event and the EcoForum exhibitors will be happy to help you find solutions to any environmental challenges you may have.

### **Art exhibition**

The EcoForum art exhibition on recycling sponsored by Kimbriki Recycling and Waste Disposal Centre demonstrates how art can be used to improve recycling rates and convey environmental messages.

## **Australian Technology Park (ATP)**

Bay 8, Locomotive Workshop  
Henderson Road, Eveleigh, Sydney

### **28–30 April 2009**

**Travel by car**—the car park entrance is from Henderson Road or Garden Street

**Travel by rail**—the Redfern Station is adjacent to the ATP

**Travel by taxi**—at the Garden Street boom gate the taxi driver will buzz security to be let in to the ATP and drop you directly outside the venue

## **Conference delegate**

If you want to keep up-to-date with the latest trends and developments in the management of water, waste, air quality, human health, climate change, energy and land remediation it is not too late to register as a conference delegate.

You will find comprehensive information about Australia's leading ecoforum, including conference registration fees and the final program, at [www.ecoforum.net.au/2009](http://www.ecoforum.net.au/2009).

**Exhibition admission  
FREE  
See overleaf  
for details**
